Baskin-Robbins is giving away free soft serve ice cream cones at participating shops this week, but there is a catch. The offer is only good for young-uns aged 13-25, and to get the cone, the person must be a member of the Do Something Club and be signed up for their e-blast.

Do Something is a club that encourages teenagers to participate in volunteer activities. DoSomething.org provides resources to help teens find or develop volunteer opportunities. You don't have to be a teen to join, but the site is aimed at that age group.

[Baskin-Robbins](#) is giving all Do Something members aged 13-25 a [free Soft Serve cone](#) from July 13–July 17. Join the club and sign up for the e-mail blast, and Baskin-Robbins will email a coupon for the free cone on July 13.
