Thursday Critic's Choice | The best in youth

For many teenagers, their best bet of getting on national TV is scoring a seat for "TRL." The people being saluted on "**The BRICK Awards**" (8 p.m., WUCW, Ch. 23) earned the national spotlight by doing extraordinary good deeds at extraordinarily young ages.

How sweet it is

Brad Garrett's " 'Til Death" may not be so hot, but his portrayal of Jackie Gleason in 2002's "**Gleason**" (10 p.m., HALL) proved that he's more than Ray Barone's big brother.

Who's that girl?

House Speaker Nancy Pelosi makes a visit to "**The Tonight Show With Jay Leno**" (10:35 p.m., KARE, Ch. 11). Leno should take her out for his "Jaywalking" segment and see if anyone knows who she is.
