Corbin Bleu Hosts The Do Something Awards

GET THE LOOK

Corbin Bleu snaps a pic with **Just Jared** before heading into NYC's Apollo Theater to host the 6th Annual **Do Something** Awards on Thursday evening (June 4).

At the VIP reception after the event, **JJJ** asked the 20-year-old *Beautiful Life* actor if he would be attending an upcoming **Michael Jackson** concert. **Corbin** shared, "I would love to! I'm trying to go see one, but I'll be filming *The Beautiful Life*, so I don't know. Hopefully when there's a break."

Fun fact: **Corbin's** *HSM* director **Kenny Ortega** is directing **MJ's** comeback [tour](#).
