## do something: intern scavenger hunt

TeenVogue Intern Dara with DoSomething.org Interns

Running is an accustomed part of being an Intern; you have to run to complete errands. However, today, [DoSomething.org](#) Interns will be running around Manhattan for their 6th annual Intern Scavenger Hunt! Who says interning should be all work and no play?

Do Something is an amazing non-profit organization that believes in empowering teenagers to, no pun intended, do something! All of the company's Interns are high school students, and one stop on their hunt was the *Teen Vogue* office. Three teams arrived sporadically on a specific mission: to get a picture with a *Teen Vogue* Intern in front of the *Teen Vogue* sign, a copy of our latest issue signed by the Editor-in-Chief, Amy Astley, and have me say, "Interning in NYC is the best city in the world to be an Intern and that DoSomething.org rocks!!!"--which is true!
